Alice Gets Ready

Alice is getting ready for her friend's birthday party. She takes out the best clothes from her cupboard and starts to get ready.

She wears a bright pink top and a matching pink long skirt that has a black flowery print over it. Then she wears a funky metal belt around her waist. She also wears long stockings on her feet and black shoes.

"Now it's time for the jewels", she says. She picks out a beautiful shiny pearl necklace from her box and wears it around her neck. She slips a pink ring in her finger and wears a pair of matching studs in her ears.

She looked at herself in the mirror and says, "I am ready to go".
