Capitalization (page 9)

Underline the words that should be capitalized in the following passage.

jane and i were excited to go camping in the everglades national park in january. We knew the weather in florida would be nicer than back home in pennsylvania. we decided to travel over president's day weekend so we'd have an extra day off school. my parents, robert and tammy, went with us. we flew into miami and drove to the everglades national park. the drive through the everglades was amazing as we saw both crocodiles and alligators.

while at the everglades gift shop we bought the book animals of the everglades to help us name some of the animals we would see. we were so excited when we saw north american crocodiles in the wild. we absolutely loved our short vacation and can't wait to go back to the everglades national park in everglades, florida.
