My best friend

Hello, I am Tina. I am six years old. My best friend is Sara. She is the same age as me. We both study in the same class.

Sara is very kind and caring. She is fond of playing with dolls and together we play with my doll house when she visits my home.

One fine day, when Sara came over to my house, we went to a fun fair with my parents. We played "Throw the Ring" game. Fortunately for Sara, she threw the ring

exactly on target and won a huge teddy bear.

The teddy bear was white in color and very fluffy. It looked very cute. It was holding a football in its hand. Sara gave the teddy bear a big hug. She was very happy! That night, she took the teddy with her to bed.

And the next day, she sent a "Thank you" note to my parents for taking her to the fair.

My best friend

Tick the correct answer.
