Conditionals (page 6)

A conditional phrase is a condition of something happening. Conditionals talk about both real and unreal situations in the present and future tense.

if	provided	in case
when	unless	on condition that

Choose a conditional from above to complete each sentence.

1. _____ you pass your exam, you'll graduate!

2. You can use the lab _____ you sign up on the sheet.

3. I bought an extra ticket _____ you want to go with us.

4. You can go with your friends _____ I drive you there and pick you up.

5. You will not graduate _____ you start studying for your exams.

6. Please take a bag with you _____ you walk the dog.
