

## Using did and done correctly

### Worksheet 5

Did and Done are tenses of to do. Done is a past participle of to do and is accompanied by a form of to have or to be (ex. I have done my homework). Did is the past tense of to do. It is a verb (ex. I did my homework).

Circle the word that best completes the sentence.

1. The lantern has did/done its job.
2. The kitten did/done two tricks before falling asleep.
3. The donkey has did/done all the riding she can.
4. I did/done a cartwheel all by myself.
5. Evan has did/done a backflip before.
6. Sean did/done an entire report on drones.
7. Amy did/done all the levels of the game and won.
8. Charlotte will have did/done all her drawings in crayon.
9. Savannah did/done the doll's hair in a braid.
10. Which classes did/done you take?
11. What three colors did/done you choose?
12. Has your hair been did/done yet?
13. Had I did/done well I would have an answer.
14. Have you did/done your stretches yet?
15. When we did/done the marathon I was very tired.
